

# Kitchen Kit

## Includes 12 Boxes and Supplies:

### 5 Small Boxes

(16-3/8"x12-5/8"x12-5/8")

Small boxes are a cinch to lift and are the best way to ensure an efficient "unpack" at your new location. Pack like with like and mark boxes clearly with the destination room and "high priority" where applicable.

### 3 Medium Boxes

(18-1/8"x18"x16")

The ideal box for clothes, bedroom gear, and bulky (but not overly) heavy things. Also great for storing large household items such as collectibles, holiday ornaments, serving platters, lamps and electronic equipment.

### 2 Large Boxes

(18"x18"x24")

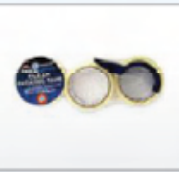

A great choice for shipping or storing household items such as comforters, blankets, clothes, lamps, or pillows any large yet lighter items. These boxes are big, so remember to minimize the weight for easier lifting.

### 2 Dish Barrel Boxes

(18"x18"x27")

Pack your kitchen like a professional mover—use our heavy-duty boxes and quality dish barrel inserts, and wrap your dishes and glassware in plenty of protective packing paper.

### 1 Tape Dispenser

w/3 Rolls Packing Tape (55 yds each)

Our specially balanced "one hand" tape dispenser seals cartons securely and efficiently. Includes three clear 55yd. tape rolls. It's a great tool for sealing your boxes with our quality Packing Tape and is easy to store when your done.

### 1 Box Marker Twin Pack

Clearly label boxes for better organization and more efficient unpacking at your destination. Order a new box marker and be sure not to run out of ink in the middle of the packing process.

### 3 Rolls of Bubble Wrap

(16"x15"x5mm)

Protects anything from dishes to heirloom chotzkas! Re-usable after your move for shipping, or just spend some quality time popping it.

### 1 Utility Knife

A mover's best friend. Use it to open or cut down boxes, cut tape, etc. Designed with a curved handle for a more safe and secure grip.

### 10 lbs. Wrapping Paper

Don't get distracted from your packing by old headlines! Our wrapping paper has all of the protective qualities of newsprint stock without the messy ink. Use it for filling voids in packed boxes as well as wrapping dishes, glasses and other fragile items.

### 2 Dish Cell Kits

Our packing dividers for the dish barrel box are the best way to keep your glasses, dishes and other fragile household items safe and secure. Be sure to surround each item with our wrapping paper before loading it into the box.
